

Everyday Mission Trip

Congregation leaders and community members listening to Reverend Breland

Event: On Saturday, January 28th, 2023, SCHAC CRD Consultant, Danielle Lindley, was invited by the Everyday Mission Trip (EMT) to the New Riverside Outreach: Community Leadership luncheon led by Reverend James E. Breland, III, President of EMT. Over 40 attendees, representing many local churches and parachurch ministries from Bluffton, Hardeeville, Okatie, and Hampton, SC met at the Bluffton Branch Library for EMT's official launch of the New Riverside Outreach. This allowed us to connect with multiple congregations in the Bluffton area who have not heard of our agency and provided resources for these leaders to take back into their communities.
