

Moving Forward- Camden

**Camden, SC
City Hall**

Event: On April 26, SCHAC Community Relations Consultant, Ms. Lindley briefed the Camden City Council on information concerning the formation of a Community Relations Council (CRC).

Background: In accordance with state law, the Community Relations Division was created:

1. to encourage local resolution of problems and to foster better community and race relations throughout the state, and
2. upon request, create and empower Community Relations Councils (CRCs) and entities across the state to address problems in human affairs.
