

Columbia Chamber

Event: On October 27, 2022, SC Human Affairs Commission (SCHAC) attended the Columbia Chamber of Commerce’s “Partner Engagement” at Columbia Museum of Art.

Background: Columbia Chamber’s “Engaging our Partners” is one of the primary goals of the Columbia Chamber. Providing opportunities for growth through networking is one way we accomplish this goal. Partners of the Columbia Chamber have the opportunity to gather with fellow partners in an informal setting that won’t disrupt the busy workday. “Partner Engagements” are a fun and rewarding way to meet people from different industries and highlight your business after hours..
