**Event:** On Saturday, March 5<sup>th</sup>, Community Relations Consultants, Ms. Ayana Crawford, and Ms. Danielle Lindley attended the 2022 Women's Peace Symposium hosted by Midlands Mediation Center. The purpose of this event was to discuss peace and find ways to share how to invest in peace in our communities.

The attendees gathered at College Place United Methodist Church for breakfast and networking. After Kabrina Bass gave the welcome, participants broke out into small groups and answered table discussion questions around their hopes and concerns for their community, and how we can play a role in creating and/or sustaining peace, etc. This is an annual event.
